A BIBLIOGRAPHY

- Is a list of the sources of information you have used, in alphabetical order
- Acknowledges the words and ideas of others
- Shows your teacher where you got this information
INFORMATION YOU NEED ABOUT A WEBSITE

- Author name (either a person or an organisation)
- The date the page was last updated
- The title of the page
- The Web address for the page (called a URL)
INFORMATION YOU NEED ABOUT A BOOK

- Author’s name
- Date of publication
- Title of the book
- The place of publication of the book
- The publishing company of the book
HOW DO I CREATE A BIBLIOGRAPHY?

- Use Monte’ online tool citemaker.com/monte.nsw (bookmark it!)
- Sign in with Google using your Monte email address
- You can export or copy and paste your bibliography into your assessment document
